Detailed Curriculum

The curriculum is designed to understand the aspects of Hospitality Operations and Management in a pragmatic manner, so that students retain it for their life time. With this degree, students can easily navigate the world of Hospitality industry or any other service sector and carve a highly respectable career for themselves.

BBA in Hospitality Operations and Management, with its thoughtful curriculum, spreads over six semesters.

Year 1 : The students are given an introduction to various skills of Hospitality Operations and Management in the first two semesters.

Year 2 : In the third semester, the intensity increases to attain competency in Operations and Management. In the fourth semester, a mandatory industry internship is included in order to get experience of real industry challenges.

Year 3 : The fifth semester focuses on areas of specialization. The sixth semester lays emphasis on Entrepreneurship in Hospitality and Business Management.

As a part of the curriculum, engagement with the industry will be prioritised to take learning beyond the four walls of the campus. The programme offers a judicious mix of education that delivers a balance between knowledge of Hospitality Operations required by the industry and the management expertise to apply the same into viable practices.

Personality development and leadership training is an ongoing part of the entire curriculum which develops the students into strategic thinkers with a well-balanced personality, poise, charm and the right attitude to enter any segment of the industry upon graduation.

Faculty

With decades of training and industry exposure behind them, our faculty knows, what's in the mind of every student and helps them polish their skill sets and overcome weaknesses, so that they gain headway at every stage.

Pedagogy

Our pedagogy gives insight into the art and science of creativity and management for the Hospitality industry. The students will be given hands-on experience in the field of Culinary Arts, Bakery and Patisserie, Accommodation Operations and Rooms Division Management.

The teaching methodology, through various classroom lectures, industry visits, projects, events and internship, help students to imbibe professional skills and practices. This approach will transform them into professionals who are very much in demand and always in command in the service industry.
